

CALL FOR EXHIBITORS

„Materials, Equipment and Technologies for New Energy Solutions“

*exhibition during the „E-MRS ICAM IUMRS 2011 Spring Meeting“ and
„First Bilateral Energy Conference“ • May 9-13, 2011 • Nice, France*

During the „E-MRS ICAM IUMRS 2011 Spring Meeting“ organized combined with the „First Bilateral Energy Conference“, both held in the Acropolis Congress Center, Nice, France, May 9-13, 2011, will be on the exhibition

„Materials, Equipment and Technologies for New Energy Solutions“
(Industry meets sciences).

E-MRS Spring Meeting is the largest Material Forum in Europe. More than 2,500 participants from Europe and overseas countries are expected in the nearly 30 symposia and workshops. For exhibitors, it will mean an excellent opportunity to meet high qualified people, customers and partners as for research.

Furthermore we would like to invite you to the one day symposium

„From Semiconductor to New Energy - the PV Value added Chain“
that will be held on May 11, 2011.

If you are interested in exhibiting, please complete the [exhibition application](#) available on the E-MRS Web site and return via email to emrs@emrs-strasbourg.com or fax to 33 3 88 10 63 43. For further information about the events click http://www.emrs-strasbourg.com/index.php?option=com_content&task=view&id=96&Itemid=132 or feel free to contact Sylvain Schoeffter at emrs@emrs-strasbourg.com.

Best regards,

P. Siffert
E-MRS General Secretary

H. Richter
E-MRS Vice President
